Hardman Reproducing Pianos

IN them you find your "Open Sesame" to the World's store of musical treasures. Without delay or formality; without consideration for time or temperament, you may summon Paderewski or Hofmann; bid Gabrilowitsch weave a spell of Chopin, or have Elly Ney superbly interpret Brahms. For other moods, other choices. Beautiful old songs for times when the heart is full or the mind reflective. Livelier lilting strains to enhance the lure of the dance. And Hardman durability to lend this versatility of entertainment more years of service.
